W. W. MILLIKAN, - - - Editor.

EDITOR HERALD:—Please announce that ASH McCANDLESS is a candidate for re-election to the office of Auditor for Fayette County, subject to the decision of the voters at the primary election to be held on the 3d Saturday of July, A. D. 1867.

Mr. Editor:—Please announce that J. B. PRIDY is a candidate for the office of Prosecuting Attorney for Fayette County, subject to the decision of the voters at the primary election to be held on the 3d Saturday of July, 1867.

Mr. Editor:—Please announce that Hon. J. H. L. SCOTT is a candidate for Representative, subject to the decision of the Union voters of Fayette county, at the Republican Primary Election, June 13th, 1867.

EDITOR HERALD:—There seems to be but one opinion on the subject of the candidate for County Auditor, in this community, and that is that A. McCandless is the man. You will therefore announce him as a candidate for nomination at the ensuing Primary election. PAINT TOWNSHIP.

EDITOR HERALD:—We take pleasure in announcing MARSHALL J. WILLIAMS, Esq., as a candidate for State Senator in this Senatorial District, subject to the result of the primary election to be held on the 30th day of July next.

MANY UNION VOTERS.

We are authorized to announce the name of Col. A. C. JOHNSON as a candidate for re-election to the office of Treasurer for Fayette County, subject to the decision of the voters at the Primary Elections in said county, to be held on the 3d Saturday of July, 1867.

EDITOR HERALD:—Having the privilege this Fall of voting on the question of Manhood Suffrage, and of doing justice to a down-trodden race, we think that DAVID C. EASTMAN, an old advocate of the cause, would be a suitable candidate for the position of Representative; and in view of his abilities we are in favor of trotting old Davy out.

FRIENDS OF FREEDOM.

SUBSCRIBE FOR IT.—The "ARENA," contains forty columns of spicy reading every week. Lovers of "choice literature" should read it. Sent three months for 50 cents. Address "THE ARENA," Albany, New York.

PICTURE FRAMES.—For French Moulding and Oval Frames—new style—go to WILLET'S PICTURE GALLERY.

The ladies who have taken the matter of giving a Fourth of July entertainment in this town, are making extensive preparations to accommodate the public with a feast of good things.

Rev. Col. Moody, and Rev. A. G. Byers are to be here on the 4th of July, to attend the celebration and dinner to be prepared by the Ladies of the M. E. Church, and will address the people on that occasion.

EXCURSION.—An excursion train will be run over the C. & Z. Railroad, to Cincinnati next Wednesday and back on Thursday, for the accommodation of persons who wish to witness the performance of the celebrated "Black Cook." Half-fare tickets for the trip, will be sold at this station.

PRESBYTERIAN FESTIVAL.—The net receipts of the Festival given by the ladies of the Presbyterian Church last Tuesday evening, were \$125. The attendance was large, and the ladies had the satisfaction of seeing their efforts to make the occasion agreeable and pleasant, appreciated.

By our exchange papers from all directions we learn that the wheat fields promise an abundant harvest, and if it should receive no injury after this, there will be a large crop of wheat in the United States this year. From the North, South, East and West, we have the promise of an abundant crop, and cheaper bread than we have been in the habit of eating for the past twelve months.

THE FESTIVAL at the M. E. Church on Thursday and Friday nights of last week, was well attended, and it is hardly necessary to say that all present seemed to enjoy themselves well, and strawberries and ice-cream suffered. The ladies of that church understand making such entertainments agreeable. The receipts both evenings amounted to about \$130, which, minus expenses, goes to aid in completing the new church.

To the generosity of our friend H. P. Cherry, we are indebted for a box of delicious strawberries, which our "better half" served up and placed upon our table, and after partaking heartily of them, Typos and all united in giving a unanimous vote of thanks to Mr. C. for his kind remembrance of the Printer's family.

Mr. C. has a fine crop of strawberries this year, which he is now putting into market.

Our County Commissioners were in session yesterday and the day before attending to some Road business. We stated last week that the order for making all the graded turnpike roads in the county 40 feet wide had been revoked by a remonstrance, so far as the Jeffersonville Road was concerned. This is a mistake. The Commissioners have, as we understand, been largely petitioned by the taxpayers along the Jeffersonville Road, to confirm their previous order, making that road forty feet wide; and yesterday we received the following note from one of the Commissioners:

"The County Commissioners, to-day, confirmed their previous order, making our turnpikes 40 feet to the outside of the ditches on all of our roads."

Communicated.
To the Friends of Sabbath Schools.

I desire to urge the friends of Sabbath schools throughout the county to organize township S. S. Unions, auxiliary to the county Union. And I do not propose to make these township organizations a jubilee for the children, but I mean work. I would have these township organizations be a kind of Teachers' Institute—a Normal School where Superintendents and Teachers may be taught how they may become successful Teachers. There are many very important topics that relate to the proper conduct and management of Sabbath Schools, that would properly come before these township organizations for discussion; and in the discussion much light would be thrown upon the subject, that would materially enhance the interest in Sabbath Schools.

I have been repeatedly interrogated by Superintendents and Teachers in every part of the county in regard to the best modes of conducting and managing Schools, and also how to interest children. I know of no better way to furnish the instructions thus called for, than through the township organizations, whose business it will be to discuss the various interests relating to these important subjects. I would also give notice that at the Fall session of the County Sabbath School Union, there will be a motion made to so change the constitution of the Fayette County S. S. Union as to make the Presidents of Township Unions Vice Presidents of the county Union, and that the President and Vice Presidents of the County S. S. Union shall constitute the executive Committee.

I would request the friends of Township associations to meet in Bloomingburg on Thursday, June 27th, at 3 P. M., to discuss the propriety of Township organizations.

J. P. A. DICKEY,
Missionary of the American S. S. Union for Fayette and Pickaway Counties.

Our farmers bring us good accounts of the prospects of the wheat crop in this county. There is not as great breadth of the crop as usual, but it gives a good show as present for an excellent crop.

The season in this section of the country continues wet, but for a few days it has been quite warm, and vegetation never grew faster.

G. A. R.—An encampment of the Grand Army of the Republic was organized at Jeffersonville, in this county, last Saturday night.

9. While the selections were being made for the committees, the Rev. Mr. Bradrick entertained the Convention with some choice remarks, on the general subject before the Convention.

10. The President appointed the following gentlemen a Committee on Resolutions, viz: C. F. Dean, D. E. Boies, Isaac VanDeman, J. P. A. Dickey and William Millikan. Also, on Nominations, Mr. Stimson, W. A. Ustie, S. F. Johnson, Mr. Satchel and Alex. Manary.

11. Music—"Rally Round the Cross."

12. Rev. Geo. Carpenter being called upon, addressed the Convention—contrasting the present condition of Sunday Schools with the same institutions twenty years ago.

13. Music—song, "House upon a Rock."

14. Rev. Mr. Adams of Jeffersonville, then spoke on the general interest manifested on the subject of Sunday Schools, and the personal obligations of Christians to give their influence to the work, that the future may witness still more rapid advancement in the right direction than in the past.

15. The children then sang the Hymn, "Nearer Home."

16. The Committee on Nominations, reported the following persons for officers, for the coming year, viz: For President, Rev. Geo. Carpenter; Vice Presidents, Rev. Mr. Bradrick, and Hon. Mills Gardner; Secretary, J. M. Edwards; Treasurer, J. W. Fridy. All of whom were unanimously elected.

The President, for the past year, Rev. Edward Cooper, made some appropriate remarks on retiring, thanking the Convention for the confidence and support rendered, and hoping that the incoming President would appreciate the honor and labor of the work to which he was called.

Rev. Mr. Carpenter, on taking the chair, remarked that he did appreciate the honor and labor, especially the latter.

17. A motion was made and carried to make Isaac VanDeman Assistant Secretary of the Union.

18. The Committee on Resolutions, next reported the following, viz: Resolved, That the members of this Convention greet with heartfelt thankfulness the manifestations of a spirit of union and warm enthusiasm in the great work, on the part of all the evangelical denominations in the county.

Resolved, That Sunday School instruction should be of the right quality, rather than great quantity.

Resolved, That teachers of S. S. should hold weekly meetings for the examination of the lesson and prayers, preparatory to exercises on the following Sabbath.

Resolved, That the prime object of everything connected with the teaching in and management of a Sunday School, should be the conversion of its members.

Resolved, That the S. S. work is of such importance to the church and world, that all the talents available to the service of Christ ought to be brought out, and brought into its labors.

The 1st Resolution was adopted without discussion. The 2d, after remarks from Messrs. Boies, Dickey and Cooper. The 3rd, after being discussed by Messrs Scott and Ustie, Rev. Mr. Jones, Dr. Gillespie and J. M. Edwards. The 4th, after remarks from the President, Rev. G. Carpenter, Mr. Dean, G. S. Fuller, Rev. Cooper and Mr. Dickey.

19. Music—Song—"Music in the Air."

Committee to prepare a programme of exercises previous to the next annual meeting.

22. The Convention next proceeded to appoint delegates to the State Convention, which is to meet at Xenia, June 12, 1867. The following named persons were selected as such delegates, viz: Johnson, Stimpson and Gardner, of Washington; W. A. Ustie, D. E. Boies, and Dr. Gillespie, of Bloomingburg; John Harrison, of Waterloo; Rev. J. M. Adams, of Jeffersonville; George Rowe, of Staunton, and Mr. Satchel and Josh Harper.

23. A motion was then made and carried, to instruct the proper officers to furnish credentials to all who wished to attend the State Convention.

24. A motion was made and carried, to the effect that when the Convention adjourns, it do so, subject to the call of the Executive Committee.

25. A Resolution was then offered to the following effect, viz: Resolved, That it is a source of pleasure to this Convention, that the American S. S. Union has an authorized Agent in the county, and that we recognize in Mr. J. P. A. Dickey, an efficient and worthy man, well fitted for the place, and that we extend to him the cordial co-operation of every member of the Convention in his new and great work.

The music for the occasion was led by Mr. Robert Robinson, and was one of the most pleasant features of the Convention. All the addresses were characterized by an earnestness seldom exceeded in such meetings. The Convention was a success, both in numbers and spirit, as well as business, and the result must be to awaken a deeper and more active interest in the grand work of Sunday Schools.
